

UPGRADE KIT 4X4 RESCUE TRAILER

Tires retrofit kit for rescue trailers with skids. .

Change kit from skid to wheelset.

The rescue trailer can be converted from **winter service** to **summer use** in a short time.

The exchange kit converts the rescue trailer into an all-season operation tool.

The large balloon tires fulfill in summer a quiet transport

High driving stability of the trailer due to balloon tires for gentle transport. **Balloon tires are also suitable for piste and cross-country skiing.**
