

## BACK CARRYING SYSTEM TYRAL

The **TYRAL Mountain Carrier Backpack System** is a practical and functional carrying system specifically designed for use in mountainous and challenging environments. It features the following features:

# **Lightweight:** The system is designed to be lightweight yet sturdy enough to safely carry the TYRAL Mountain Carrier.

# **Rollable:** It rolls up compactly, simplifying handling and transport when not in use.

# **Easy to carry:** The carrying system is user-friendly and comfortable, even over long distance
